ADULT DAY HEALTH CARE CENTER

OUR MISSION at the Jersey Shore Adult Day Health Care Center is to improve the health and quality of life of our participants and provide support to families.

We offer a comprehensive program of medical care, nursing care, social services and recreational activities at our state-of-the-art center.

Attentive Nursing

Stimulating Rehabilitation

Our **THERAPY AND EXERCISE**

programs and treatments restore strength, endurance and movement. We give assistance and instruction in the use of assistive devices such as canes, braces and walkers.

HOT, NUTRITIOUS MEALS and snacks are prepared daily in accordance with dietary laws and individual needs.

There is a full range of **DAILY ACTIVITIES** designed to entertain, challenge and encourage involvement in the community.

Enriching Social Life

Our **EXPERIENCED STAFF** develop personalized comprehensive care plans to meet the social and health care needs of each participant.
